The musical score is written on three staves in G major (one sharp) and 6/8 time. The melody is simple and suitable for young children. The lyrics are: "I was strol-ling in the park on day, in the mer-ry, mer-ry month of May, I was ta-ken by sur - prise, (Aaaah), by a pair of lo - vely eyes, while strol-ling in the park one day." There are smiley face icons under the words "eyes" and "Aaaah".

I was strol-ling in the park on day, in the mer-ry, mer-ry
month of May, I was ta-ken by sur - prise, (Aaaah), by a
pair of lo - vely eyes, while strol-ling in the park one day.

I was climbing in the park on day ...
I was swimming in the park on day..
I was swinging in the park one day ...
I was sliding in the park one day ...
Etc.
